ODeL ICT RELATED SHORT COURSES

Background

The Malawi University of Science and Technology (MUST), established by the Government of Malawi in December 2012, is the country's fourth public university. Located in the scenic highlands of the Thyolo District, approximately 27 kilometers east of Blantyre City, MUST houses four schools: The Malawi Institute of Technology (MIT), Ndata School of Climate and Earth Sciences (NSCES), Academy of Medical Sciences (AMS), and Bingu School of Culture and Heritage (BISCH). Through these schools, MUST offers a variety of academic programmes.

We are excited to announce that qualified candidates now have the opportunity to enrol and study various short courses through Open and Distance E-Learning (ODeL). We invite applications from qualified individuals to pursue the following short courses via ODeL:

1. Business Intelligence and Analytics
2. Big Data Analytics
3. Information Security
4. Machine Learning

Business Intelligence and Analytics

Business Intelligence and Analytics (BIA) helps organizations develop a deeper understanding of business data and gain a competitive advantage over others.
Big Data Analytics

Big Data Analytics is the use of advanced analytic techniques against very large, diverse big data sets for better business decision making by organizations.

Information Security (InfoSec)

Information Security (InfoSec) helps organizations to protect information from unauthorized access, use, disruption, modification or destruction.

Information Security (InfoSec)

Machine Learning (ML) is a branch of artificial intelligence (AI) which focuses on the use of data and algorithms to imitate the way that humans learn and hence enabling organizations to more quickly identify profitable opportunities and potential risks.

Target Groups and Qualifications

- Anyone interested in the field of ICT
- Participants should have a background in ICT and a minimum of an MSCE or its equivalent, with at least a credit in Mathematics

Duration

- Eight (8) weeks (fully online)

Fees

Candidates will pay K300,000 for the entire duration. An initial part payment is required before registration, with the remainder to be paid a month after classes commence.

Application Process

Application forms can be downloaded from the MUST website or requested via email at odeladmissions@must.ac.mw.

Interested candidates should send their completed application form to the following address by April 5, 2024:
