SUBJECT : Release of End of Semester Examination Results.

Management wishes to inform all staff and students that, following the Senate meeting held on 09 December 2025, the End of Semester Examination Results for Undergraduate Generic students, Undergraduate Weekend students, and Postgraduate Diploma in Strategic Studies students have now been released. All students are therefore advised to check their results through the SARIS portal.

Senate further resolved that continuing students who have failed 50% of their modules for example, students failing three out of six modules taken in the semester will be allowed to write supplementary examinations for the failed modules.

Please also take note that first-year Undergraduate Generic students who have failed modules and would ordinarily be required to sit for supplementary examinations will *not* be required to do so at this stage. These students will only be considered for supplementary examinations after completing Semester Two and after Senate has considered the full academic year's results.

The supplementary examinations will be administered from 22 December 2025 to 24 December 2025.

Any queries regarding the released results must be submitted to the Registrar's Office through aracademics@must.ac.mw within fourteen (14) days from the date of this memorandum, using the designated appeal form that has been shared. *Do not submit your query using another email address other than this email address.* The deadline for submitting queries is 30 December 2025, and any queries submitted after this date will not be considered.

All staff and students are requested to take note of the contents of this memorandum and act accordingly.

Best Regards
