The Malawi University of Science and Technology (MUST) is pleased to announce names of candidates who have been selected to pursue various postgraduate degree programmes at the University for the 2025/26 academic year. Selection of candidates was done on merit, taking into account programme requirements, applicants' academic qualifications, and institutional capacity. In addition, considerations of gender balance were made in line with national aspirations for inclusive higher education. Candidate choices and the specific entry requirements for each programme were also taken into account during the selection process.
