

2026/27 ACADEMIC YEAR ECONOMIC FEE PAYING, MATURE ENTRY, WEEKEND, ODeL AND POSTGRADUATE SECOND SELECTION

The Malawi University of Science and Technology (MUST) is pleased to announce names of candidates selected to pursue various programmes under the Economic Fee-Paying, Mature Entry, Weekend, Open Distance and E-Learning (ODeL), and Postgraduate categories for the 2026/27 academic year. The public is further advised that students selected under these categories are admitted on a self-sponsored, non-residential basis, in accordance with the applicable Malawi Government policy. Scholarships are not available for students admitted under these categories, including postgraduate students in all programmes. The University reserves the right to admit students based on the required number of students for each programme.

1. Reporting, Orientation and Commencement of Classes

All selected students are advised to take note of the following reporting, orientation and commencement dates for the 2026/27 academic year.

1.1 First Year Students

All first-year students are required to report to the University on Sunday, 23 August, 2026.

The University will conduct a compulsory Orientation Program commencing on Monday, 24 August, 2026. The orientation program will provide students with important information about their programmes, academic requirements, University regulations, student services and other matters relevant to their studies.

After the weeklong orientation, students selected under Weekend and ODeL categories will return home so they need to arrange for accommodation for just one week.

1.2 Tuition Fees per Academic Year

The tuition fees payable by students in the respective categories are as follows:

Category	Tuition Fee per Academic Year
ODeL	K1,300,000
Economic Fee-Paying	K3,500,000
Mature Entry	K1,800,000
Weekend	K1,800,000
Postgraduate	K6,128,000 (equivalent to US\$3,500)
Medical Cover	K60,000 per academic year

The above fees are payable per academic year and students are advised to ensure that all required fees and other charges are paid within the prescribed periods.

3. Confirmation of Places

All selected candidates are required to confirm their places with the University as soon as possible. Candidates who fail to confirm their places within the prescribed period risk forfeiting their admission places. Confirmation of places should be made through the designated University admissions channels.
