

A.

MALAWI UNIVERSITY OF SCIENCE AND TECHNOLOGY

APPLICATIONS FOR 2019/20 POSTGRADUATE PROGRAMMES

A. Master of Science in Innovation

The Malawi University of Science and Technology (MUST) is inviting applications from suitably qualified candidates to pursue a two year Master of Science in Innovation programme. The programme will be offered over four semesters, on block release during which period students will periodically come on campus for face-to-face tuition followed by a period of attending to assignments at home. Modules to be covered in first year include: The Innovator's Mindset, Innovation Management & Organization, Innovation Ethics, Innovation Law, Project Management, Creative & Innovative Product Design, Innovative Scientific & Technological Industries, Technology Commercialization, Research Project Skills, Markets & New Business and Financing & Modelling Innovation. In second year, students will undertake a research project focusing on product or process innovation and submit a Dissertation.

B. Master of Entrepreneurship

MUST is inviting applications from suitably qualified candidates to pursue a two year Master of Entrepreneurship programme aimed at equipping students with knowledge, skills, and attitudes needed to survive and thrive in business to propel this country to greater socio-economic heights. The programme will be offered over four semesters, on block release during which period students will periodically come on campus for face-to-face tuition followed by a period of attending to assignments at home. Modules to be covered in first year include: Entrepreneurship, Economics for Entrepreneurs, Corporate Finance, Corporate Strategy, Project Management, International Trade & Finance, Commercial Law, Technology Commercialization, Research Project Skills and Marketing Management. They will also submit a Business Development Project where students are required to develop a viable and bankable business plan. In second year, students will undertake a research project focusing on entrepreneurship and submit a Dissertation.
