

MALAWI UNIVERSITY OF SCIENCE AND TECHNOLOGY

RELEASE OF THE END OF SEMESTER TWO EXAMINATION RESULTS

1. End of Semester Two Examination Results

The Malawi University of Science and Technology would like to advise all its students that results for end of year examinations are now out and students can check their portals with immediate effect. However, SARIS will only be able to show results of students with **no outstanding fees balances** and those that handed over their **E-Learning ICT gadgets such as tablets, laptops and MIFIs**. If you still owe the University any fees balances or you are yet to submit these gadgets, make sure you honour your obligations now to access the examination results.

2. Supplementary Examinations

Supplementary Examination for both end of Semester One and End of Semester Two shall be administered from 15th February, 2021.

3. Opening of the 2021 Academic Calendar

MUST further advises that due to the Covid-19 pandemic, the University is observing the situation and awaiting guidance from Government. If there will be any changes to the dates that were earlier communicated, students will be advised accordingly.
